

## 2: Installing horizontal cladding New build

Information and drawings courtesy of the Timber Decking and Cladding Association. Drawings are indicative only and not to scale. For further information visit [www.timbercladding.org](http://www.timbercladding.org)

Whilst every care has been taken in the production of this sheet and the information is believed to be correct at the time of production, Wood Campus and the Timber Decking and Cladding Association cannot be held responsible for any errors or omissions. The information in this sheet is for guidance only. If you are in any doubt, please seek professional advice.

This drawing is for horizontal cladding fixed to a timber frame structure.

For masonry, the same batten and cladding configuration is used.
